

ADMISSIONS

March 1, 2017

Dear Parents,

The registration packets were sent in the mail earlier today. You should be receiving them between tomorrow and Friday.

Please be advised that there is a mistake on the amounts that appear on the form, and that it didn't come to our attention until after they were sent out. We sincerely apologize and humbly ask for your understanding and cooperation.

I will have revised forms available when you come in to register, and there will be some at the Finance Office as well. You may also access them when you go to www.sjaadmissions.com to fill out the ONLINE Database Form. All forms are available on the website, and you may print them out at your convenience.

The correct amounts should be listed as followed:

Tuition	\$ 10,680/10,560 (1 st student/additional student) \$ 5,340/\$5,280 per semester	
	Billed 5/1/17 - 4/1/18	\$ 890/880 (month)
Parent Commitment Fee *this fee is refunded back to tuition after activities are completed by parents	billed with tuition 7/1/17	\$ 200

God bless you,

Celeste Solis
