Jackson is a regular guy: he goes to college, has a girlfriend, volunteers at a day camp for kids. . .and he can travel back through time.

At first his travels just seem like harmless fun. But when his girlfriend is shot, Jackson begins a desperate attempt to go back and save her. Soon, he is being pursued by the Enemies of Time. Piecing together clues about his father, the Enemies of Time, and himself, Jackson must decide how far he's willing to go to save Holly.
